

FREE RECYCLING

WASTE MANAGEMENT ACT 1996

Waste Electrical and Electronic Equipment (WEEE) is taken back free of charge in this store on a one-for-one, like for-like basis.

Waste batteries including rechargeable batteries (of a type sold here) are taken back free of charge in this store.

You are not obliged to make any purchase when returning old batteries here.

Each local authority must also accept household WEEE and small batteries free of charge at its recycling facilities.

All WEEE and waste batteries must be recycled and should not be placed in your waste disposal or recycling bins.

Make sure you always recycle all your old electrical goods and batteries.
